

From Godless Evolution To Knowing The Creator God

1. According to **GENESIS 1 & 2**, God created the universe and all life on this planet.
(Genesis 1:24-27; John 1:1-3; Colossians 1:15-16)
2. God **REVEALED** Himself to the human race through His creation. *(Romans 1:18-20; Romans 1:21-23)*
3. Natural **SELECTION** and **MUTATIONS** are not mechanisms of evolution.
4. Design in nature is irreducibly **COMPLEX**.

Application: We have a **CHOICE**.

1. We can **IGNORE** the clear evidence of design in nature, view the Genesis accounts of creation and man's fall as being Hebrew myths, and embrace evolution as our belief system.

OR

2. We can **ACKNOWLEDGE** the clear evidence of design in nature, believe what the Bible states about creation and the fall of man, and place our faith and trust in Jesus as our Savior and Lord.

As believers, an understanding of design in nature and how it points to the Creator will aid us in sharing our faith with those who don't yet know God. "Remember, the Bible does not change and can be fully trusted from first Genesis to Revelation. Evolution, on the other hand, is an ever changing, bankrupt theory totally dependent upon man's finite reasoning. It takes more faith to believe in evolution than in Creation.
